Mike Wilcox introduced this item to the Planning Commission.

Michelle Shaffer & Josh Naylor, 9252 S 670 W, presented this item to the Planning Commission.

Daniel Schoenfeld asked if they've read through the staff report.

Michelle Shaffer said yes.

David Hart asked how many employees they have.

Josh Naylor said no more than 25.

David Hart said their request to reduce the parking will only leave a couple of open stalls for visitors and expressed concern about adding to the off street parking.

Michelle Shaffer said they will not be adding to the off street parking.

LaNiece Davenport asked if the reason for the parking reduction is so they don't have to reduce the square footage of the building.

Josh Naylor replied that the reciprocal access on the north and south is what cramped the parking.

Thomas Irvin further presented this item to the Planning Commission.

Steven Wrigley asked if there's additional parking near the trash can area.

Thomas Irvin said that area could not be used for a parking stall. It would be for a truck to be able to back in and out.

Daniel Schoenfeld opened this item for public comment.

Daniel Schoenfeld closed this item to public comment.
