Staff Report Memorandum April 16, 2026

To: City Council via Planning Commission
From: Community Development Department
Subject: Dimple Dell Cir Annexation (R-1-20 Zone)
3046, 3047 and 3072 E Dimple Dell Cir.
[Community #29]

ANX03262026-007181

Approximately 1.34 Acres

Public Hearing Notice: This item has been noticed on public websites, at public locations, along with a sign posted on site.

Request

William Boyer and a couple of his neighbors are requesting to annex a certain contiguous unincorporated area, totaling approximately 1.34 acres, located at 3046, 3047 and 3072 E Dimple Dell Cir. in Salt Lake County, Utah. The subject property under consideration for annexation contains three lots. The property owners expressed interest in being annexed into Sandy City now rather than later as per HB 330 (2024 legislative session).

Background

Staff does have the consent from the property owners.

Sandy City borders this annexation on the south and east sides.

Public Notice and Outreach

The City Council approved Resolution 26-48C on March 31, 2026, which set a public hearing for May 5, 2026, and directed the City Recorder to publish and send notice of the hearing in accordance with Utah Code.

Analysis

The annexation is being considered by the City for the following reasons:

1. The City is considering annexing the area pursuant

3046, 3047 E, and
3072 Dimple Dell Cir
Dimple Dell Circle Annexation
 Subject Property

to 10-2-812 Utah Code Annotated.

2. The area is contiguous to the Sandy City boundary (south and east sides).
3. The property is located within an area designated in the Sandy City General Plan for incorporation.
4. The City can provide a high level of municipal services to the area.

General Plan

Portions of the Sandy City General Plan which relate to this application are as follows:

- This area is identified as one of the expansion areas shown in figure 7.2.1 (Section 7 – Targeted Growth Plan – Annexation Policy Plan, page T78).
- Annexation Policy Plan: Goal – Annexation of unincorporated areas into Sandy City will comply with the provisions of State Statute and the City’s Annexation Policy Plan.
- Annexation Policy Plan: Objective – Areas annexed into Sandy because of automatic annexation will be incorporated into Sandy’s Future Land Use Map and planning in accordance with this plan.
- Annexation Policy Plan: Policies – The future land use of newly annexed areas will be consistent with the provisions of Sandy’s Future Land Use Map and plan. Infrastructure needs in newly annexed areas will be treated consistently with other areas of Sandy. (Section 7 – Targeted Growth Plan, Page T85)

Zoning

The existing Salt Lake County zoning district for this unincorporated property is R-1-21. The R-1-21 zone requires a minimum of 21,000 square feet of lot size for a single-family dwelling.

In general, when Sandy City annexes a property into the City from Salt Lake County, we have always been sensitive to what the property was zoned in the County. In most cases we have been able to zone property to a comparable zone as we annex them into the City. As we have done this, we have considered the existing properties that are adjacent to the area being annexed and try to assure that the annexed area is compatible with the existing area.

Staff is proposing to annex the subject property into the City with the R-1-20 zone. Each of the lots are under the 21,000 square footage requirement and are considered legal nonconforming in the County. These lots will remain legal nonconforming in Sandy City with the R-1-20 Zone.

Recommendation

It is recommended that the Planning Commission send a positive recommendation to the City Council that the Dimple Dell Cir. Annexation be approved and zoned R-1-20 based upon the following findings:

1. The area is **contiguous** to the Sandy City boundary (south and east sides).
2. The property is located within an area designated in the **Sandy City General Plan** for incorporation.
3. The City can provide a high level of **municipal services** to these properties.
4. The **R-1-20** is appropriate for this property based upon current land uses within the area.
